Description

Civil Engineer Jobs in Ireland Free Visa Sponsorship 2024

Location: Canada (Free Visa Sponsorship)

Location: Ireland (Free Visa Sponsorship)

About the Job:

We are hiring Civil Engineers to join our team in Ireland for 2024. This position comes with free visa sponsorship, making it an excellent opportunity for qualified professionals looking to work abroad. As a Civil Engineer, you will be involved in the planning, design, and overseeing of construction projects such as roads, bridges, and buildings. You will work closely with architects, contractors, and project managers to ensure successful project completion.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities:

- Design, plan, and oversee construction projects.
- Ensure projects meet legal guidelines and safety standards.
- Conduct site inspections and surveys to assess project progress.
- Prepare and review technical drawings, plans, and specifications.
- Collaborate with other engineers, architects, and contractors.
- Ensure projects are completed on time and within budget.

Requirements:

- Bachelor's degree in Civil Engineering or a related field.
- Relevant work experience is preferred but not mandatory for entry-level positions.
- Strong understanding of engineering principles and construction processes.

- Knowledge of AutoCAD and other engineering software is a plus.
- Good communication skills in English.
- Ability to work independently and within a team.

(adsbygoogle = window.adsbygoogle || []).push({});

Benefits:

- Free visa sponsorship to work in Ireland.
- Competitive salary.
- Health benefits and paid leave as per Irish labor laws.
- Opportunities to work on diverse projects.
- Professional growth and career advancement.
- Supportive work environment and training opportunities.

How to Apply:

To apply for this position, submit your resume and any relevant certifications. Apply directly from the official site.
