Description

Site Engineer Job In Singapore Free Visa Sponsorship 2024

Position: Site Engineer

Location: Singapore (Free Visa Sponsorship Available for 2024)

About the Job:

We are looking for experienced Site Engineers to join our team in Singapore. This position offers free visa sponsorship for international applicants. As a Site Engineer, you will oversee construction projects, ensuring that they meet design specifications, quality standards, and are completed on time. You will collaborate with various stakeholders to ensure the smooth progress of the project while maintaining safety and operational efficiency.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities:

- Supervise daily construction activities and site operations.
- Ensure projects comply with design specifications, safety regulations, and quality standards.
- Coordinate with contractors, architects, and engineers to solve on-site issues.
- Monitor project progress and prepare detailed site reports.
- Conduct regular site inspections to ensure work is completed according to schedule.
- Enforce health and safety regulations to maintain a safe work environment.

Requirements:

- Bachelor's degree in Civil Engineering, Construction Management, or related field.
- Previous experience as a Site Engineer is preferred.
- Familiarity with construction tools, methods, and safety standards.
- Proficiency in AutoCAD and other construction management software.
- Strong communication skills in English (knowledge of other languages is a plus).
- Willingness to relocate to Singapore and work on-site.

(adsbygoogle = window.adsbygoogle || []).push({});

Benefits:

- Free visa sponsorship for qualified candidates.
- Competitive salary with opportunities for bonuses.
- Health insurance and additional employee benefits.
- Paid vacation and public holidays.
- Opportunities for career growth and professional development.

How to Apply:

If you are interested in this exciting opportunity, please apply through the official site. Be sure to include your updated resume and a cover letter detailing your site engineering experience and why you're a good fit for this role. We look forward to your application!
