Description

Civil Engineer Jobs in Kuwait with Visa Sponsorship 2024

About the Job:

We are seeking qualified civil engineers to join our team in Kuwait with visa sponsorship available for 2024. This role involves working on various construction and infrastructure projects. Previous experience is preferred, but recent graduates are also welcome to apply as training and support will be provided.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities:

- Design and oversee construction projects, ensuring compliance with regulations.
- Prepare project plans, specifications, and budgets.
- Conduct site inspections and ensure quality control.
- Collaborate with architects, contractors, and other engineers.
- Analyze survey reports and design calculations.

Requirements:

- Bachelor's degree in Civil Engineering or related field is required.
- Previous experience in civil engineering is a plus.
- Strong analytical and problem-solving skills.
- Proficient in engineering software and tools.
- Good communication skills in English; knowledge of Arabic is a bonus.

(adsbygoogle = window.adsbygoogle || []).push({});

Benefits:

- Visa sponsorship to live and work in Kuwait.
- Competitive salary with performance-based bonuses.
- Opportunities for professional growth and career advancement.
- Health insurance and additional employee benefits.

How to Apply:

To apply, please visit the official site and submit your resume. Be sure to highlight your qualifications and interest in the civil engineering position.
